

LOOPS 4 LIFE INFO

"I feel inspired and honored to have worked with the both of you."

Lucia Rijker, 6-Time World Champion Boxer/Kickboxer

Though they are only 25, their life experiences and applied knowledge far exceed their age. From football National Championships to speaking all over the world, and running a business recognized in Entrepreneur Magazine's Top 100 Innovative Businesses, Nick and Garret educate audiences on happiness, goal setting and living a meaningful life.

Although each presentation is tailored specifically to their audience, they base the majority of their teachings on the following 4 types of presentations.

KEYNOTE 1: The 4 Be's of Becoming a Champion - a perfect fit for younger (15-25) students and athletes.

KEYNOTE 2: Revealing Champions: Finding the Leader Within - for teachers, coaches, positions of leadership.

WORKSHOP 1: From Goal Setting to Goal Getting - a hands on workshop for the younger generations.

WORKSHOP 2: Leadership, Teamwork and Leading a Team - a hands on workshop for the teachers, coaches and business leaders.

"Their delivery was precise, informative, entertaining, and articulate. The audience was well engaged to each impeccable word spoken. I would highly recommend to any school, corporation, business or other entity to incorporate these gentlemen into orally presenting your vision in order to help obtain goals set forth."

Tim Connors-Principal of Grass Valley Elementary School
